

Chwefror / February 2013

Annwyl Riant/Gwarcheidwad

Mae'r Adran Fathemateg yn trefnu gwersi ychwanegol i ddisgyblion bl 11 sydd yn sefyll arholiad TGAU. Bydd y gwersi ychwanegol ar ôl ysgol rhwng 3.30pm a 4.30pm ar gyfer y setiau canlynol:

*[Dechrau wythnos yn cychwyn 18/2/2013]*

SET 1 (Mr Selwyn Allsup) - Nos Wener  
SET 2 (Mr Gareth Davies) - Nos Lun  
SET 3 (Mr Arwel Stephen) - Nos Fercher  
SET 4a (Miss Hayley Parker) - Nos Fercher  
SET 4b (Mr Reg Roberts) - Nos Lun

Mae'r Adran Fathemateg yn ystyried y gwersi yma i fod yn angenrheidiol os yw eich plentyn am lwyddo i ennill gradd haeddiannal yn arholiadau CBAC yr Haf yma. Ystyrir Mathemateg TGAU fel cymhwyster angenrheidiol ar gyfer y rhan fwyaf o gyrsiau addysg uwch a chan mwyafrif o gyflogwyr. Yn ystod y gwersi ychwanegol bydd modd rhoi sylw i wendidau disgyblion ac felly eu cynorthwyo i wellai cyrhaeddiad.

A fuasech yn cefnogi'n ymdrech i wella cyrhaeddiad eich plentyn drwy sicrhau ei fod yn mynychu'r gwersi ychwanegol yn rheolaidd. Fe fydd hyn yn cynnig mantais sylweddol i'ch plentyn. Os oes unrhyw broblem gyda teithio gartref y mae'n bosib i'ch plentyn dderbyn tocyn bws am ddim o swyddfa'r ysgol (os ydynt yn cael bws ysgol arferol am ddim).

Os hoffech drafod y mater ymhellach hefo fi yn bersonol neu dros y ffôn cysylltwch â mi ar bob cyfrif, buaswn yn falch o'r cyfle i siarad hefo chi.

Dear Parent/Guardian

The Mathematics Department is arranging extra tuition for year 11 pupils who are sitting their GCSE exams. The extra lessons will be after school between 3.30pm and 4.30pm for the following sets:

*[Start week commencing 18/2/2013]*

SET 1 (Mr Selwyn Allsup) - Friday  
SET 2 (Mr Gareth Davies) - Monday  
SET 3 (Mr Arwel Stephen) - Wednesday  
SET 4a (Miss Hayley Parker) - Wednesday  
SET 4b (Mr Reg Roberts) - Monday

The Mathematics Department considers these lessons to be essential for your child to ensure reaching higher potential in the GCSE examination this summer. GCSE Mathematics is an important qualification that is required for most courses in Higher Education and by most employers. During the extra lessons it will be possible to give attention to the weaknesses of individual pupils, thus helping them to improve their achievements.

I write to ask you to support our efforts to improve your child's achievement by ensuring that he attends these lessons regularly. This would be advantageous to your child. If there is any problem with transport home your child can obtain a free bus pass from the school office (if he/she is usually eligible for a free school bus).

If you wish to discuss this matter further with me personally or over the telephone please contact me to make arrangements; I would be pleased to have the opportunity to discuss this with you.

Diolch yn fawr iawn am eich cydweithrediad

Thank you very much for your co-operation

Yn gywir / Yours sincerely

Arwel Stephen

Pennaeth yr Adran Fathemateg / Head of the Mathematics Department
