KEEP WALES TIDY WEEK SEPTEMBER 17th - 23rd

On Wednesday 19th September we had activities to mark 'Keep Wales Tidy Week' with Mr Lee Oliver.

We had equipment of day-glo Jackets, gloves and special pick up litter sticks.

Most of the rubbish had been gathered in the trees at the bottom of the school field where the wind had blown it. We learnt from Mr Oliver which parts of the rubbish that were a danger to wildlife. The rubbish blows in to the river Seiont that becomes a danger to birds and fish. We went down the incline and found two golf balls-there must be poor golfers in Llanrug!!!!!!!!!!!!

In the red bags we collected plastic, cans, bags, plastic bottles. The worst rubbish was drinks cartons and plastic sandwich bags. We collected 10 bin bags full in 1 hour.

As part of our Personal and Social education studies we shall be aiming to lessen the problem in the future.

Gerallt Morris a Kai Allcock , Year 11
