

YSGOL BRYNREFAIL

FAREWELL MRS HUGHES

After 32 years of supporting a myriad of staff in her role as Reprographic Technician Mrs Eileen Hughes decided to retire from her role at the end of the Christmas term.

Her loss will be enormous, not only for her polished work but also for her ready smile and sensible conversation.

On behalf of all the pupils and staff during her 32 years the phrase 'thank you' seems insufficient but we do wish her well in all aspects of her retirement.
