

YSGOL BRYNREFAIL

I'M A TEACHER ! GET ME OUT OF HERE !

Some were quaking in their boots just at the thought !

Members of the sixth form had spent the morning mixing together a cocktail of foreign ingredients and spices so that members of staff, some who are experts in eating, could taste and analyse them. The competition was arranged by year 12 as part of their arrangements' to raise money for good causes.

The school hall was packed with pupils eager to see members of staff suffer their fate.

Mrs Sioned Roberts however launched into the competition (although she was glad of the bucket nearby !)

At the end of the day the event organised by Fflur, Cerian, Ffion and Erin Haf was a great success and raised the enormous sum of £90 towards those good causes.
