## ECO SCHOOL COMMITTEE

The inaugural meeting of the school Eco committee was held on Wednesday 3<sup>rd</sup> October 2012. The main aim of the committee is to adopt policies and procedures that help to protect the environment as a central role of

school life:

- Raise awareness of the need to protect our environment
- To be more economical in our use of the environment and prevent pollution in our area
- Co-operating to improve our environment

The committee consists of representatives of each year group and two members of staff
