PENDALAR DISCO

On the last day of the half term a celebration of the pending week's holiday ahead was marked by a disco in the school hall that reverberated to the sound of the music.

All the arrangements were made by Elin, Elliott, Poppy and Bethan from year 12 as part of the campaign to raise funds for the Pendalar Christmas Party.

Having thrown themselves around the hall 'Gangnam' style

dancers were appreciative of the opportunity to buy drinks to assuage the raging thirsts.

At the end of the disco the organisers were well pleased that £118 had been raised
