Annwyl Riant/Gwarcheidwad

Mae'r Adran Fathemateg yn trefnu gwersi ychwanegol i ddisgyblion bl 11 sydd yn sefyll arholiad TGAU. Bydd y gwersi ychwanegol ar ôl ysgol bob **NOS IAU** rhwng **3.30pm a 4.30pm** yn cychwyn **05/02/2015** ar gyfer y setiau canlynol:

11 SET 1 (Mr Gareth Davies)

11 SET 4a (Mr Elfed Williams)

11 SET 2 (Mrs Hayley Jones)

11 SET 4b (Miss Alaw Roberts)

11 SET 3 (Mr Arwel V. Stephen)

Mae'r Adran Fathemateg yn ystyried y gwersi yma i fod yn **angenrheidiol** os yw eich plentyn am lwyddo i ennill gradd haeddiannol yn arholiadau CBAC yr Haf yma. Ystyrir Mathemateg TGAU fel cymhwyster angenrheidiol ar gyfer y rhan fwyaf o gyrsiau addysg uwch a gan y mwyafrif o gyflogwyr. Yn ystod y gwersi ychwanegol bydd modd rhoi sylw i wendidau disgyblion ac felly eu cynorthwyo i wella'u cyrhaeddiad.

A fuasech yn cefnogi'n ymdrech i wella cyrhaeddiad eich plentyn drwy sicrhau ei fod yn mynychu'r gwersi ychwanegol yn rheolaidd. Fe fydd hyn yn cynnig mantais sylweddol i'ch plentyn. Os oes unrhyw broblem gyda teithio gartref y mae'n bosib i'ch plentyn dderbyn tocyn bws am ddim o swyddfa'r ysgol (os ydynt yn cael bws ysgol arferol am ddim).

Os hoffech drafod y mater ymhellach hefo fi yn bersonol neu dros y ffôn cysylltwch â mi ar bob cyfrif, buaswn yn falch o'r cyfle i siarad hefo chi.

Dear Parent/Guardian

The Mathematics Department is arranging extra tuition for year 11 pupils who are sitting their GCSE exams. The extra lessons will be after school every **THURSDAY** between **3.30pm and 4.30pm** starting **05/02/2015** for the following sets:

11 SET 1 (Mr Gareth Davies)

11 SET 4a (Mr Elfed Williams)

11 SET 2 (Mrs Hayley Jones)

11 SET 4b (Miss Alaw Roberts)

11 SET 3 (Mr Arwel V. Stephen)

The Mathematics Department considers these lessons to be **essential** for your child to ensure reaching higher potential in the GCSE examination this summer. GCSE Mathematics is an important qualification that is required for most courses in Higher Education and by most employers. During the extra lessons it will be possible to give attention to the weaknesses of individual pupils, thus helping them to improve their achievements.

I write to ask you to support our efforts to improve your child's achievement by ensuring that he attends these lessons regularly. This would be advantageous to your child. If there is any problem with transport home your child can obtain a free bus pass from the school office (if he/she is usually eligible for a free school bus).

If you wish to discuss this matter further with me personally or over the telephone please contact me to make arrangements; I would be pleased to have the opportunity to discuss this with you.

Diolch yn fawr iawn am eich cydweithrediad

Thank you very much for your co-operation

Yn gywir / Yours sincerely

Arwel Stephen

Pennaeth yr Adran Fathemateg / Head of the Mathematics Department
