Park Hall, Oswestry

Ysgol Brynrefail 2 Morryston Comprehensive 2

With a big crowd having travelled to support them, Ysgol Brynrefail boys under 16s football team strode on to the field for their cup final against Morryston Comprehensive. From the first whistle Morryston pressed the Brynrefail defence and early in the game, a defensive mistake allowed Morryston to take the lead. With captain Daniel Bell orchestrating the midfield Brynrefail fought back strongly but the Morryston defence was standing firm. Jamie McDaid then went on a mazy run beating four defenders before crashing a left foot shot against the post. Unfortunately Morryston then took the play to the other end of the field and scored their second goal and at half time it had to be admitted that Morryston had had the best of the first half.

Brynrefail kicked off the second half full of determination. They began to play attractive football, controlling the game and it was no surprise that, following a good cross from the right Jamie McDaid lashed the ball into the Morryston net. Brynrefail then began to press and press on the Morryston defence which in fairness was holding firm. Then, with five minutes remaining, Nathan Price scored a cracking goal to make the contest even. For the final five minutes it was a case of Brynrefail striving, with every sinew, for the winning goal but it just wouldn't come. So the final ended 2-2 and went into a penalty shoot out. Although both teams had failures from the spot Morryston finally won 4-3. However the game wasn't really lost was it? No, just the penalty shoot out!

Our lads - good eh?
