CYNLLUN 'EFE'

On Tuesday 2nd February 2010 pupils from Year 7 gathered to hear a presentation by Andrew Settatee, a key worker for young Christians in the scheme 'Cynllun EFE', caring for the community of churches in the Llanberis area.

Following his presentation on Christianity a quiz was held and some pupils took part in a short play. Every winning team received prizes. We had a great deal of fun and pleasure. We hope to have another visit from Mr Settatee in the near future.
